Mayor Dumas started the teleconference off by stating we are conferencing to discuss the two bids that we received on the Recreation Building at the Rec Park. We received one from Tim Leahy and one from Friends Construction. Will we accept one of the bids or reject all? Nathan Race spoke up and said that due to the world crisis right now with Covid-19 we really can't make a decision. Until we know what the future is going to bring, we should hold off. Both Boards agreed that the bids were way over budget. Everyone seemed to agree to reject both bids and go out to bid again once the crisis has been lifted and vote on this in our work session tomorrow morning. Once we do this, we can explain the situation to both bidders and Beardsley Designs.

The teleconference ended at 6:16 PM.

Respectfully submitted,

Cheryl A. Cook, Village Clerk
